Dear Editor:

**League of Women Voters of New Jersey Calls for a
Statewide Voter Registration Weekend**

The League of Women Voters of New Jersey issues a call to all citizens, organizations and businesses to join us in a Statewide Voter Registration Day on Saturday, September 20, 2008.

Here in Mercer County, the League of Women Voters invites and urges our citizens as well as groups, organizations and businesses to join us in registering voters.

Making democracy work requires engagement and involvement in our own governance. There is no better way to do this than to register voters.

Call the League of Women Voters of Lawrence, Voter Service at 609-882-5376 or email LRiskin@verizon.net.

Get in the spirit and be with us on Saturday, September 20 to make democracy work!

Sincerely,
